

# ATS608

## 8-way plug-in input expander

### 8-way plug-in input expander

---

The ATS608 offers a 8-way input expansion to Advisor Advanced panels. To reduce required space in the Main control panel housing, the unit is a plug-in to the Main Control panel PCB.

The ATS608 provides for 8 additional inputs available through screw terminals. Inputs are assigned to zones through configuration in the control panel. The zone type is defined through the zone menu in the main control panel.

### Details

---

- 8 inputs
- Plug-in to Advisor Advanced panels
- Supports shock sensors

# ATS608

## 8-way plug-in input expander

### Technical specifications

---

#### General

Expander type	Input expander
Product line	Advisor Advanced
Connection type	Plug-in
Max. per panel	1

#### Inputs

Total	8
Onboard	8

#### Electrical

Operating voltage	10.5 to 13.8 VDC
Current consumption	10 mA

#### Physical

Physical dimensions	80 x 35 mm
---------------------	------------

#### Environmental

Operating temperature	0 to +50°C
Relative humidity	95% non condensing
Class	Class II

#### Standards & regulation

Certification	EN50131 Grade 3, VdS
---------------	----------------------
